

Onboarding at CBBG

Resource Handout

Action Items

Sign Memorandum Of Understanding (MOU) (You will receive a DocuSign email)

Update database profile (<https://erc-cbbg.engineering.asu.edu/>)

Additional support: [CBBG Website>>Resources>>Onboarding Documents](#)

Complete trainings (lab safety training, etc.)

- Lab Safety Training and other campus/lab-specific trainings
- Data Archiving Data Types and Archiving Procedures
 - Presentation: [CBBG website>Education>Webinar Series](#)

Suggested trainings:

Webinar with Knowledge Check can be found here: [CBBG website>Education>Webinar Series](#)

- Diversifying the Engineering Community: From Campus to Workforce
- SLC So You've Joined CBBG, Now What?
- Tokenism
- Communicating Across Difference Win Win Strategies for Bridging the Divide
- Introduction to Inclusive Leadership in Engineering
- MicroAggression & MicroResistance: Promoting the Daily Practice of Inclusion

Ongoing Expectations

The following items are MANDATORY for students receiving funding and affiliated with CBBG:

Database Profile: Keep your CBBG database profile up to date (in case you are unfamiliar with the platform, contact your PI)

BioGeotechNotes: Review weekly BioGeotechNotes email, typically sent out every Monday by Bob Brier (if you are not getting these, please email Mary Bankhead at Mary.Bankhead@asu.edu)

Newsletter: Read and/or contribute to the quarterly CBBG newsletter

Memorandum of Understanding (MOU): Sign (and abide by) the CBBG Faculty/Senior Researcher/Student MOU each year

Outreach: Participate in at least one outreach event each semester

Webinars: Attend webinars or view recording and take the knowledge check on programmatic issues, such as innovation, diversity, and mentoring. If you are unsure about which webinars to attend, talk to your advisor.

Mentoring: Mentor at least one undergraduate student, high school student such as a Young Scholar, or other K-12 students. This mentoring could happen during the summer and/or during the academic year. Talk to your advisor about opportunities at your campus.

SLC Activities: Participate in SLC activities, which includes the Mid-year and Annual Meeting, student events, workshops, etc.

Evaluation: Respond to questionnaires and surveys in a timely fashion

Other Resources

CBBG Website: <http://biogeotechnics.tech>

- **CBBG Research:** Information on topics being investigated in different thrust areas, along with respective PIs is available on: <https://cbbg.engineering.asu.edu/research/>
- **CBBG Publications:** A sample of publications produced by the center is available on: <https://cbbg.engineering.asu.edu/publications/>
- **Industry Interaction:** Several networking opportunities are available to students and all are encouraged to reach out to members of the Industry Advisory Board (IAB) and work with Industry Liaison Officer, Dr. Nasser Hamdan for support. Further information on CBBG Industry Partners can be found here: <https://cbbg.engineering.asu.edu/industry-partners/>
- **Education:** Details on the summer research experiences (REU, RET, Young Scholars), curriculum, and the webinar series can be found here: <https://cbbg.engineering.asu.edu/education/>
- **Diversity:** Information on diversity and inclusion, accessibility resources, and statistics can be found here: <https://cbbg.engineering.asu.edu/diversity/diversity-and-inclusion/>

CBBG Student Website: <https://cbbgstudents.wordpress.com/>

This student run website provides a comprehensive list of researchers organized by thrust, topic, name and university.
